Dear Billy,

Just a note to tell you how much I enjoyed working with you and your team on our West Coast Showroom Project in Irvine. The Showroom is beautiful and was completed underbudget and on-time. Crew Builders did everything possible to build us the best space for the money, and it turned out great! I could not have been more pleased with our choice of contractors for this several million-dollar project. The technical nature of the project – simulating the different care setting environments in a hospital – made it complicated and difficult, but you guys handled it easily. I'll look forward to working with you again.

Thanks Again Billy,
