

RE: Letter of Recommendation

Dear Sir/Madam,

I am writing this letter to recommend the construction services of Crew Builders Inc. Their team's level of commitment and attention to detail was integral to the success of our tenant improvement project. Crew Builders navigated the construction process with proactive communication and effective scheduling. We are very satisfied with their level of craftsmanship. Their effort has transformed our previous environment into an impressive and functional contemporary workspace.

I would like to ask you to consider Crew Builders Inc. for your tenant improvement project. I highly recommend the services of the company and would gladly work with them in the future.

Sincerely,

Howard Wilson, COO
