To Whom It May Concern,

Please accept this letter as my highest recommendation of the construction firm, Crew Builders. It was a pleasure working with you and your amazing staff on the creation of our brand-new office here on the west coast. Crew Builders was instrumental in constructing the new Talener office located at 11601 Wilshire Blvd., Los Angeles, Ca. Crew Builders is a very capable and professional team that kept Talener informed during the process with excellent communication. Crew assisted with field changes as required and delivered our space in a timely manner. Their field staff is well supervised, responsive and professional. Crew Builders did a great job and made the entire construction process go smoothly. They worked very well with our team and quickly resolved any issues brought to their attention. If the opportunity arises we would definitely work with Crew Builders on future projects. Thank you!

Sincerely,

Dmitri Palmer
