# LIGHTBAY CAPITAL

April 13, 2017

To Whom it May Concern:

I am writing this letter to recognize Crew Builders, Inc. for a job well done in completing our LightBay Capital office space located at 11601 Wilshire Blvd, Los Angeles, CA 90025.

Although met with some challenges during construction, Crew Builders managed the project in a manner that allowed the project to be completed on schedule while maintaining an excellent relationship with our team. All on-site coordination was handled very professionally.

Based on our experience we have found Crew Builders to possess the knowledge, ability and disposition to handle any project presented to them.

We would highly recommend Crew Builders for any venture they would agree to undertake.

Sincerely,

A square box containing a handwritten signature in black ink. The signature is written in a cursive style and reads "Sarah Davies".
